After paying, take your ticket from the pay station and use it to exit the garage. If the pay station is not working, you can pay at the machine in the garage exit lane. An attendant is on duty if needed.

## Garage pay station locations

- Lobby of UH Seidman Cancer Center – near the valet desk
- 2nd floor of Lerner Tower – at the entrance to the parking garage bridge
- Basement of UH Rainbow Babies & Children's Hospital – near the Adelbert Garage elevators

Once you pay, you have 30 minutes to leave the garage without being charged for more time.

If you forget to use the pay station, you can pay in the garage
