Statement of Purpose Guidelines

Personal Statement of Purpose (approximately two pages in length) – 30% score in admission to engineering majors criteria:

- Explain your interest in Engineering and what experience you have with engineering?
- What is your ultimate career aspiration?
- How will your chosen College of Engineering major enable you to reach your career goals?

Computer submission: Approximately two-three pages, double-spaced using a 12-point Times New Roman font.

Note: Typed PSOP's are preferred, although handwritten statements are permitted.

Handwritten submission: Limited to two-three pages, single-spaced. Be sure to write legibly!

Scoring Criteria:

Personal Statement of Purpose scores are based on the following criteria:

- Content and Creativity
- Expression and Execution
- Overall Effectiveness
