These electives should be chosen in consultation with an advisor.
3. At least half of the required credits must be taken within the University of Hawai'i system, or through a study abroad or exchange program administered by a unit of UH (e.g., the Study Abroad Center, the Center for Japanese Studies, etc.).
4. All courses must be taken for a letter grade and must be passed with a grade of "C" or better to apply toward the fulfillment of the major requirements.
5. Prerequisites for all Japanese courses must be passed with a "C" or better. They may also be waived with the consent of the instructor.
6. All Japanese majors are required to consult with their faculty advisor or the Academic Advisor (Moore 390) prior to registering for each semester. Also, all students contemplating application into our graduate program are advised to discuss their plans with their advisor(s).
